

IF YOU TOUCH your tongue to ALUM

and look in the glass—you will see the effect—
You can't help puckering—it makes you pucker
to think of tasting it.

By the use of so called cheap Baking
Powders you take this puckering, injurious Alum
right into your system—you injure digestion,
and ruin your stomach.

AVOID ALUM
Say plainly—

**ROYAL BAKING
POWDER**

Royal is made from pure, refined Grape Cream of Tartar—Costs more
than Alum but you have the profit of quality, the profit of good health.

Prices of Commodities, Farm Pro-
duce and Vegetables.

PORTLAND, May 8.—Eggs are now
moving with some freedom on Front
street, and it is understood that stor-
age men are buying up quantities at
something less than 18 cents, the cur-
rent quoted price for some days past.
No change was announced in butter
quotations. California vegetables were
scarce. Strawberries are coming in
slowly. Potatoes are firm. Tomatoes
are in demand.

IF YOU DON'T

succeed the first time use Herbine
and you will get instant relief. The
greatest liver regulator. A positive
cure for Constipation, Dyspepsia, Ma-
laria, Chills and all liver complaints.
Mr. C. of Emory, Texas, writes:
"My wife has been using Herbine for
herself and children for five years. It
is a sure cure for constipation and ma-
laria fever, which is substantiated by
what it has done for my family."

HEALTH VIOLATIONS.

Bad Sanitary Conditions Discovered
In Chicago Slums.

CHICAGO, May 8.—Violations of all
the laws ever written in the city code
or statutes on the subject of health
and comfort in the lodging houses
for the unfortunate were discovered
during an inspection of West Side
houses last night by Inspector James
B. Sullivan of the sanitary bureau,
acting under the orders of Health
Commissioner W. A. Evans. Houses
where 80 slept in stifling rooms with
no ventilation no fire and escapes but
a narrow wooden stairway leading
down in front, walls, caked with dirt,
and floors covered with filth of every
description were some of the things
found. In another place 50 men were
piled like hogs in wooden troughs
with no covering but a newspaper and
no air but that which came from a
broken window over a blind alley.
Beds in small dark rooms with tobac-
co stained walls sagged with the
weight of quilts and blankets that
never had seen fresh air or felt the
touch of clean water. In none of the
places visited were any precautions
taken against the spread of disease.
Just what steps he can take Dr. Evans
has not determined. There is a con-
flict between the city laws and the
state laws and heretofore it has
been the work of the state inspectors
almost exclusively to look after the
lodging houses.

Wonderful Eczema Cure.

"Our little boy had eczema for five
years," writes N. A. Adams, Henrietta,
Pa. "Two of our home doctors said
the case was hopeless, his lungs being
affected. We then employed other doc-
tors but no benefit resulted. By
chance we read about Electric Bitters;
bought a bottle and soon noticed im-
provement. We continued this medi-
cine until several bottles were used,
when our boy was completely cured." Best
of all blood medicines and body
building health tonics. Guaranteed at
Charles Rodgers' drug store. 50c.
